Visits and extracurricular activities

Garden centre

Maths

- Place value
- Multiplication
- Division
- Problem solving

Science

- Plants
- I can identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers
- I can investigate the way in which water is transported within plants
- I can explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal.
- I can explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant.
- Look at the water cycle in relation to the rainforests

Developing Aspirations

- Gardener (someone who maintains plants).
- Armed forces
- Uniformed services.
- Job questionnaire for homework linked to occupations in the local area and further afield

Where in the world?

Year 3
