Parking

Unfortunately we are again receiving complaints regarding parents parking across the drives of residents and parking unsafely at drop off and pick up times. Please consider the safety of our children and be respectful of the local residents. As a reminder, parents can park on the bottom car park of The Morris Man.

We need volunteers to support our children's reading.

Training will be provided. You will need a DBS check which is free for volunteers.

Even if you have only half an hour to spare, please volunteer. Thank you to all our current volunteers - you really make a difference.

Katharine House Hospice

Staff from Katharine House Hospice have visited school to talk about the essential role of the hospice and raise awareness of the good work they do. They have invited us to participate in a colouring and drawing competition which we will complete in school next week. Some of our children are singing at Katharine House on 31st January and we are decorating Katharine House with bees which is their theme this year.

Dogs

Please remember that dogs are **not** allowed on the school premises, including the field.
