Safer internet day

Safer internet day is celebrated on 6th February. At school, we aim to promote the safe and responsible use when online. The link below has top tips for under 11s on how to be safe online:

World Book Day

World book day is on 1st March 2018. We want to ensure our pupils have a love of reading. This year the whole school will be basing it's learning around the same text. This will be a very exciting project to look forward to.

We are also carrying out an **extreme reading competition**. Please send us a photograph of you, your child or all your family reading in an unusual place. Prizes will be given for the best entrants. Closing date is **March 1st**.

All our children can also **dress up** on **1st March** as their favourite book character.

We have attached two leaflets (one for 5-8 years and one for 9-12 years) to help you share stories with your children.

WORLD
**BOOK
DAY**

1 MARCH 2018

Home is where the heart is

We have organised a military project to celebrate the lives of military children. This project has been funded by The Ministry of Defence and will involve our Y4/Y5 and Y6 pupils who have parents serving along with other pupils from local schools. Pupils will design, make and decorate a tile depicting what a home is and where is home. This is taking place on 8th and 9th February during school time.

Y6 Mock tests

Y6 will carry out mock SATs next week commencing **Monday 5th February**.

Thank you to all our parents who were able to stay for our Reception stay and play. We hope you enjoyed it.

Good Behaviour Reward

We are trialling a new behaviour system as 'Golden Time' has lost its effectiveness and wasn't meeting the needs of our children. Our pupils will work as a whole class to gain minutes which they can accumulate for a special treat. They can win minutes for good behaviour, good attendance, completing homework etc. We will review this after half term with the children to see how effective it has been. Children can still work towards golden behaviour tickets and team points.

Water Bottles

The children are encouraged to have a bottle of water in class - but please ensure it is **only** water (NOT juice). Juice drinks are only permitted at lunchtimes.

Well done to our choir

Well done to all of our choir who sang at Katharine House Hospice as part of dignity in care week. We are very proud of you all.

Lock Down Procedures

We have put in place procedures for a 'lock down' in school should there ever be an emergency situation. On Monday 5 February we will be explaining to the children about these procedures and what would happen should a situation arise to instigate a 'lock down'.

ATTENDANCE

Well done to class 1R — the class achieved the top attendance figure of 99.3% last week.
