## Consultation of term dates

Thank you to all parents who returned the questionnaires. We will be considering all feedback and inform you of the outcome by the end of the term.

## School closure procedures

Thank you for your patience last week when we had to closed school for two days and we apologise for the inconvenience that it may have caused.

We announce if our school is closed via our facebook page and a text. We do this as early as possible, however, it is difficult at times to predict what the weather will actually be like. We do liaise with other local schools as well as the site staff.

We aim to keep school open whenever possible during bad weather conditions but need to put the safety of our pupils first.

## Parents' evening

Thank you to all parents who attended parents evening last week. If you have any further queries, please do not hesitate to contact your child's class teacher.

## Catering news

We have made the decision to move catering in-house. This means Chartwells will no longer be providing our school meals. This will not affect the cost of the meals or how you pay for them.

## Parent forum

Thank you to all the parents who attended our parent forum this week. Your ideas and contributions are invaluable to move our school forward. We will feedback an overview of the discussion next week as well as the actions we have carried out.

## Forces Club

Please note that Forces Club is cancelled on **Monday 19 March**.

## Playground Play Equipment

We have some play equipment on the KS1 playground and, unfortunately, a number of items have been damaged due to children playing with the equipment before and after school. We would appreciate your support in not allowing your child to play with this equipment.

## Emotion Coaching Workshop for Parents

**Tuesday 27 March 2018 at 6.00pm**

This workshop is open to all parents and will be run by Mrs Connor and Mrs Snowden. We will look at helping children deal with their emotions and hopefully offer ways to help diffuse situations when they become angry and upset. It would be appreciated if you could let us know if you will be attending.

## Eco Warriors News

At a recent awards presentation our Eco Warriors were presented with a 'highly commended' certificate for their 'No Planet B' art work. They received the following comment from the judges: *The attractive 'Stop Trashing Our Oceans' display was inspiringly purposeful, coming as it did from a school with an overall commitment to action on ecological issues.*

A certificate was also awarded in recognition of their initiative to put a stop to single use plastic cups in school.

## Reception coffee morning

A huge 'thank you' to all our Reception parents who attended this event and made it such a great success. Your kind donations raised in excess of £90. The money will be donated to 'The Eve Appeal'.

You can see further photographs on the school website.
