Litter

Two members of the Borough Council came to school this week to talk to our children about littering and why it is so important to not drop litter. The children were great and were very interested.

New IT Server

We have had a new server fitted in the holiday which will ensure our IT systems run smoothly. We have had a few issues which are being rectified so all systems should be up and running soon.

Mrs Smith is relaunching the Running Club for parents and pupils. It will be held every Wednesday from **3.30pm to 4.00pm** on the KS2 playground commencing next **Wednesday 19 September**. Please come along in your kit with your child for some fun and games.

Should any other parents wish to change or amend their permission to publish images of their child, which has already been supplied to the school, they may do so by calling in at the school office to request another form.
