Year 6 News

Year 6 had a visit from Sergeant Ferguson this week. They have been learning all about Crime and Punishment throughout history this half term, so it was very interesting to hear about crime nowadays and how the Police Force deal with it. Year 6 would like to thank Sergeant Ferguson for giving up his time to come and talk to them.

Year 6 Netball

Well done to our Y6 netball teams who took part in the netball festival at Stafford Manor High this week. They represented our school exceptionally well by showing great sportsmanship, positive attitudes and they strived to play to their best ability. Their game play was fantastic and it was a great experience for all who took part.

Parent Pay Accounts

For those parents of children in Years 3,4,5 or 6, please ensure there are sufficient funds in your Parent Pay account to pay for any school lunches. You can load your account at any time of day with an amount of your choice—this will be automatically deducted as and when your child has a school dinner. Funds must be in the account by **9am** on the day your child is having a school dinner.

Batik

We have had an artist in residence visit our school this week. All of the children have designed part of a batik and some children have had the opportunity to work with the artist in creating them. The children have really enjoyed themselves and learned lots about the batik process.

All our children have worked very hard this half term. they have settled well into their new classes and learned lots. Attendance has been very good and behaviour has been fantastic.

As a reward, we have organised a surprise disco for Years 1 to 6 this afternoon. They all deserve a treat! Reception are having a fun afternoon too.

Thank you to all parents and carers for all your support this half term. It's really appreciated.

Thank you for all your kind donations for The Society of Mucopolysaccharide Diseases (MPS Society).
