Dogs

Please remember that dogs are **not** allowed on the school premises, including the field.

Attendance

Unfortunately, there are a number of pupils arriving late for school. It has a huge impact on their learning when they miss the initial part of the school day. Please remember the doors open at 8.45am so that the school day can start promptly at 8.50am.

RESPECT Curriculum

We have developed a curriculum which brings together pupils' learning about themselves, others and the world we live in. A big part of this is how we teach our children to be safe, what the British values are and how we use them in school and in the community. This is very much a working document and we are continually improving our provision. We have attached a copy of the curriculum for you to look at.

Parent Forum

Thank you to the parents who attended our forum. We value your support, ideas and views. The minutes are attached.

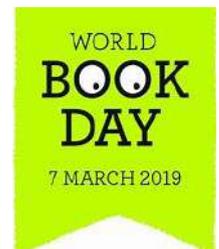

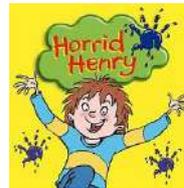

Book fair

There will be a Book Fair in the school hall from 3.20pm until 4.00pm each afternoon commencing **Tuesday 12 March** until **Monday 18 March**.

Reminder - World Book Day

We are celebrating World Book Day on **Thursday 7 March**. Pupils can dress up as their favourite book character. They can also bring their favourite book with them.

CLASS ATTENDANCE

Well done to classes 4T and 1R - the pupils achieved 99.3% attendance last week.

Running Club REMINDER!

If you would like to have some fun with your child, as well as getting fit, we would love to see you on a Wednesday from 3.30pm to 4pm on the KS2 playground. **Please join us if you can.**

Year 5 Stay & Do

Thank you to all parents who helped with our Ancient Greek art this week. We hope you enjoyed being creative.

Reception Stay and Play

We really enjoyed all our Reception parents visiting us in class this week. We hope you enjoyed finding out what your child is learning.

Maths at Weston Road Academy

Some of our Y5 and Y6 pupils attended a Maths Challenge at Weston Road Academy this week. They performed brilliantly with the maths challenges they were set and out of the 17 teams, they were places First, Second and Sixth. We are very proud of their achievements.

Safer Internet Day 2019

On Tuesday 5th February it was safer internet day, this years slogan was:

Together for a better internet

The aim of Safer Internet Day is to **inspire a national conversation** about using technology responsibly, respectfully, critically and creatively.

This year in the UK, Safer Internet Day focused on how consent works in an online context. During Computing lessons and a special internet safety day assembly, the children were asked to think about and explore how they ask, give, and receive consent online. This could be in their friendships or relationships, how they take and share images and videos or how they manage their privacy and data.

Online Safety

This week your free guide is about **'Age Ratings'** - please see attached.

Paramedics and Ambulance visit for Years 1 and 2

Years 1 and 2 enjoyed a visit from the ambulance service this week. The paramedics explained about their job and the pupils enjoyed looking around the ambulance and learning about the oxygen equipment and how to make a 999 call in an emergency. They loved turning on the blue flashing lights and had fun bandaging themselves. We would like to thank the paramedics for their time and for making their visit so enjoyable for the pupils—our special thanks to Mr and Mrs Henderson, two of the paramedics, who are also parents at our school and who kindly arranged the visit.
