## Little Stars

Little Stars is a session for pre school children and their parents/carers. It is held weekly on a Wednesday morning from 8.45am to 9.45am in the mobile on the KS1 playground. Please spread the word to your friends and neighbours who have young children.

## Dealing with issues

We would like to remind you that your child's class teacher is your first point of call if you have an issue. If you need to take it further, then please contact Mrs Wright or Mrs Trubshaw.

Miss Evans, the Principal, will get involved when these avenues have been exhausted.

## Local Academy Committee

Our Local Academy Committee met for the first time this week. We have elected a new Chair, Rev. Rudd and Vice Chair, Miss Watts. Our other members are:

Mrs Wedgwood (Trust representative)

Mrs Bull (parent representative)

Mr Pearce (parent representative)

Mrs Snowdon (staff representative)

Mrs Hill

Miss Evans (Principal)

## Extra-Curricular Clubs

All of our staff have agreed to lead a club this academic year. Unfortunately, there may not be spaces for every child. We draw names at random after the deadline for the club. Thank you to all staff for organising such brilliant activities.

Our current clubs are:

- Y6 Computer Club: Mrs Bates/ Mrs major
- Y6 Netball: Miss Round
- Y4 Tag Rugby: Mr Downward

## Volunteers in school

Have you an hour or two spare to help in school? If you are interested in helping in class, please come and speak to the office. Your support will be appreciated.

**VOLUNTEERS  
NEEDED!**

## CLASS ATTENDANCE

Well done to class 5P - the pupils achieved 99.7% attendance last week.

## Online Safety

This week your free guide is about 'Parenting Gamers' - please see attached.

## Bronze Medalist

On Tuesday, our netball team took part in the Blessed William Howard netball tournament. Altogether 16 teams took part.

Results:

St.Johns V St.Austins

1. 1

St.Johns V St.Johns Catholic

1. 1

St.Johns V Brewood Middle

3 0

St.Johns V Church Eaton

7 0

As overall winners the team progressed onto the semi-finals against Stafford Prep:

St.Johns V Stafford Prep

0 0

As the match finished with a draw, the team had to play for the Golden Goal. The first team to score a goal, would go through to the final. With having the advantage of the first centre pass, Stafford Prep scored the Golden Goal.

The teams final game was for 3rd or 4th place.

St.Johns V Cooper Perry

6 0

Well done to the netball team, bronze medalists, who have been playing for less than a year.

They showed outstanding attitude to the sport and excellent sportsmanship. Their game play just kept on improving. We couldn't have asked for more from them. Their achievements are a credit to their hard work and determination. They excelled to be the best they could be. We are all so proud of you. Exceptional!

Our thanks to Miss Round for coaching them and helping them achieve such a fantastic result.

Squad:

Olivia Farnell

Korey Gear

Ella Hawkins (Player of the tournament)

Serena Mattox

Abigail Smith

Zuzanna Tracz

Sebastian Nixon

## Champions!

Tuesday 17 September is the day that everyone will remember as the day our Y6 football team won the Blessed William Howard cup.

What a day it was! The team knew they had their work cut out for them, as 16 teams were all competing for the prestigious trophy.

Through the group stage games, the team managed to rack up wins against Rowley Park, St John' Catholic and St Austin's and a draw against Brewood primary schools. The football on offer was top draw, some may say it was Barcelona in disguise.

In the semi-final, they battled a well-organised Cooper Perry squad to secure a 1-0 victory. In the final they managed to win 1-0 in the final few minutes against a well-drilled Brewood side.

Congratulations to the team. Well done to Joel, Jubin, Connor and Mathew for scoring. Well done to Rhys for his amazing saves and a huge well done to Hannah, Jack, Maddox, Alex and Parit for great defence displays.

We would like to say thank you to all the parents and staff that helped and cheered, the team really couldn't do it without you!

## **Year 3 News**

In Y3, we have been finding solutions to our BIG question, 'Was there maths in the stone age?'

As you can see, we had to solve a range of stone age maths problems using stone age methods.
