

Sports Funding Impact Report – St. John’s Primary Academy, Stafford 2016-17

Area of Focus	Amount Spent	Impact	Sustainability
Improving the curriculum and strategic vision for PE			
To develop teacher’s knowledge and understanding of specific areas of the PE curriculum, enabling them to deliver vibrant, exciting and engaging lessons.	£3370 – made up of £950 ABC coaching £2420 – dance coaching/iMoves	Through dance based coaching and online dance package (iMoves dance programme). Teachers have received specialist dance training, enabling them to confidently and enthusiastically deliver dance lessons across the school. Pupils receive high quality dance opportunities. Autumn term coaching of Y1 staff to enable them to deliver ABC (agility/balance/coordination) lessons with greater knowledge and understanding leading to greater pupil engagement and development in these areas.	Staff will have access to a bank of resources to support the delivery of dance and games activities.
Wider school Development and Health			
Raise the profile and benefits of physical activity across the school community Improve outcomes in all areas of the curriculum	£1535 –PE resources £610 – lunchtime supervisor training	Pupils have access to high quality equipment. Pupils develop their understanding of healthy activities leading to a healthy life style, physical activity impacting on behaviour.	Resources available in future years. Staff pass on knowledge to future members of staff. We will continue to offer pupils the opportunity to be involved with daily physical activity thus helping to promote their health and well being.
Total spend	£5541		
Balance remaining	£4206	Balance is earmarked for indoor large equipment, KS1/Reception outdoor gross motor equipment and whole school playground development.	

Amount of grant received: £9720
