St John's Academy

Date 15 January 2021

हजुर हरु लै यो इन्फोर्मेशन नेपाली मा चाहिन्छ भनि कृपा ओफ़िफ़चे मा ठ दिनुस होला

Let's walk the World together!

We have registered our school to walk the world. We can all work together to attempt to walk around the world. Our route is 27,003 miles which commences in Chelmsford and ends in London. We also visit other interesting places such as Auckland, Washington, Istanbul and Agra. All you need to do to register as a family is:

- Visit the World walking website or download the app. The website seems easier to use to register than the App;
- Register your family. This can be done through Facebook or email;
- When you have registered, search for St John's Academy in groups. Once you have joined the group, add the walk which is called 'West around the World'.

You can then add how far you have walked to your account. If there are three of you and you have walked two miles, you put add six miles to your account. You can use steps, km or miles. You then 'spend' them on the walk.

We have already walked 19 miles - only 26,984 miles to go!

We can do this!

Home-Learning

We hope home learning is going well for you all. We are incredibly proud of all our children (and adults) who are working hard at home. We will be sending you a questionnaire shortly in order to help us receive feedback about what is working well and how we can improve home-learning. Your opinions are very important to us so we would be grateful if you could complete it but understand that everyone is very busy at the moment!

Covid-19 Policies

We have created a tab on our website with all the addendums to some of our policies. The risk assessment is also on our website.

Reception, Year 1 and Year 2 Snacks

Due to the current situation, we are not receiving fruit deliveries for the pupils in Reception, Year 1 and Year 2. If your child is currently in school, you are welcome to send them with a **healthy snack** to eat at morning break - e.g. piece of fruit, cheese.
